THE big stick in Kentucky is the tobacco stick.

WANTED—A circus at Maysville. Any old kind will do. Don't write; just come.

It is announced that Mr. BRYAN would be a sure winner if he could secure all the votes of all the Democrats he has driven into the Republican party.

It is said at Washington that Senator CHAS. A. CULBERTSON of Texas has the best chance of being chosen minority leader in the Senate next December.

WOULD any one believe that such a beautiful and remarkable sentiment and editorial as the little one published below, could be found in the columns of The Wall Street Journal? It's a gem. Read it and remember it in your heart and soul as well as your head—

"The Human and the Divine—The mere human in us working alone barely earns expenses; it is the divine in us that yields dividends."

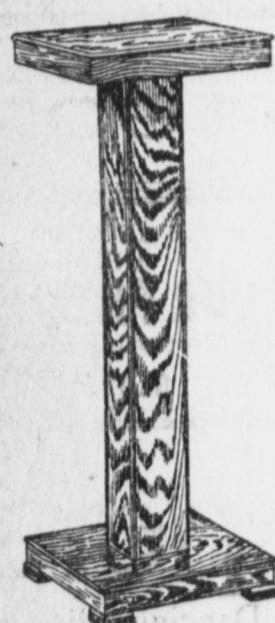

BISHOP BURGESS, of Long Island, put his veto upon the plan to have the marriage ceremony of WILLIAM ELLIS COREY and MABELLE GILMAN performed in the Protestant Episcopal Cathedral in Garden City, L. I. The Bishop said:

"No clergyman in the Episcopal diocese would perform such a ceremony where either of the parties had been divorced. I doubt very much whether any self-respecting minister could be found on Long Island to marry them."

DINKY

thing, but a fine, large Pedestal in that beautiful wax finish.

There are many other good things at

WINTERS'
Maysville, Ky.

FARMERS in all portions of the Burley District are preparing to plant a record-breaking crop, and at the present time there is more ground broken for tobacco than was ever known at this period of the season. The high prices demanded by the American Society of Equity is the cause of the increased acreage.

IT is said that efforts are being made to induce GROVER CLEVELAND to make his fourth race for President. But Mr. CLEVELAND has hunted and fished a little bit too much to permit himself to be used as a decoy-duck, or a stool pigeon for certain astute politicians in his party. Another thing, Marse HENRI wouldn't permit GROVER to be trained on the Presidential race course.

AT the meeting much was said about raising the price of the dollar weekly to \$1.25 or \$1.50, owing to the fact that everything that goes to make a paper (even brains) has raised in price."—*Carlisle Advocate*.

But, "Colonel," you haven't the audacity to say that editorial brains have any market value and stand any possible chance of a raise in price? You can buy hog brains and calf brains at the butcher's, but the public is accustomed to working the "free" racket as far as editorial brains are concerned. Please don't allow yourself to indulge in another such a brainstorm.

A CASE OF BEER.

Philadelphia Public Ledger.

"I'm not expecting any package," said Mrs. Hamlet to the driver of the delivery wagon, who was persistent.

"This is the number," insisted the driver, looking to the book again.

"Name's Hamlet, ain't it?"

"Yes."

"No. 47?"

"That's our number."

"Then it's for you."

"I think not. It must be a case of mistaken identity."

"No mum. It's a case of beer."

HEADACHE

"My father had been a sufferer from headache for the last twenty-five years and I never found any relief until I began taking Cascarets. Since he has begun taking Cascarets he has never had the headache. They have entirely cured him. Cascarets do what you recommend them to do. I will give you the privilege of using his name." E. M. Dickson, 112 Resiner St., W. Indianapolis, Ind.

LEXINGTON DIOCESE

To Receive \$64,000 of Contemplated Church Extensive Fund

Members of the Episcopal Church in Lexington will be interested in the fact that plans are well under way for the early raising of a missionary thank offering of \$1,750,000 by the Protestant Episcopal Church, in gratitude for 300 years of Christianity in English-speaking America. The general convention of Episcopalians this year meets in Richmond, and as it was at Jamestown, on Virginia soil, that the first English settlement in America was made in 1607. It is proposed that the fund be presented at the general convention.

The work of collecting same is being undertaken by a Central Committee, which is acting under resolutions of the general convention. If this large sum of money is raised the missionary work of the Church will be placed on a substantial basis.

The donor can, if so desires, designate the object for which his gift is to be devoted.

The average salary of the Episcopal clergymen of the United States is only \$600. It is plain, therefore, that very few of the clergymen can make any provision for the support in old age. Many laymen have expressed the hope that a good slice of this thank offering might be given to the general clergy relief fund, which is managed by a very intelligent Board of Trustees in Philadelphia.

Of the entire collection \$775,309 is to remain in the United States and \$867,450 is to go on the outside.

Lexington Diocese will receive \$64,000 of the fund.

SPIRITUALIST SEANCE

Sunday afternoon—Boston Lady Spellbinders Auditors

Sunday afternoon at 3 o'clock, Mrs. Porter of Boston, Mass., the celebrated spiritualist medium and lecturer, delivered an address and gave a "seance" at Grand Army Hall in the Masonic Temple building to quite a large number of persons, among them being some of Maysville's prominent and representative men and women.

Mrs. Porter's lecture and "manifestations" were the wonder and mystification of the afternoon, and by her spiritualistic power she performed many feats in mental gymnastic which set her auditors to thinking deeply.

a pretty face, a good figure, but sooner or later learn that the healthy, happy, contented woman is most of all to be admired.

Women troubled with fainting spells, irregularities, nervous irritability, backache, the "blues," and those dreadful dragging sensations, cannot hope to be happy or popular, and advancement in either home, business or social life is impossible.

The cause of these troubles, however, yields quickly to Lydia E. Pinkham's Vegetable Compound made from native roots and herbs. It acts at once upon the organ afflicted and the nerve centers, dispelling effectively all those distressing symptoms. No other medicine in the country has received such unqualified endorsement or has such a record of cures of female ills as has

Lydia E. Pinkham's Vegetable Compound

Miss Emma Runtzler, of 631 State St., Schenectady, N. Y., writes:—"For a long time I was troubled with a weakness which seemed to drain all my strength away. I had dull headaches, was nervous, irritable, and all worn out. Chancing to read one of your advertisements of a case similar to mine cured by Lydia E. Pinkham's Vegetable Compound, I decided to try it and I cannot express my gratitude for the benefit received. I am entirely well and feel like a new person."

Lydia E. Pinkham's Vegetable Compound is the most successful remedy for all forms of Female Complaints, Weak Back, Falling and Displacements, Inflammation and Ulceration, and is invaluable in preparing for childbirth and the Change of Life.

Mrs. Pinkham's Standing Invitation to Women

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. Her advice is free and always helpful.

MOUNT GILEAD.

Mrs. Osie Calvert is now at Mr. Frank Lee's. We appreciate the kind notice of the Foxport correspondent.

Mr. Wood Bramel and family are still in Lexington and delighted with his insurance business.

Mrs. J. L. Savage from North Carolina was around a few days ago visiting her relatives and friends.

It continues to rain and no corn planted yet. Oats not come good and taken with weeds, and gardens uncertain and fruit scarce.

We learn from a letter written by Mrs. Lizzie Amanda Calvert to her aunt, Mrs. Sallie Stone, that she is overjoyed in her housekeeping in Kansas, being blessed with the kind and loving treatment of her relatives.

Miss Lizzie Clay Stone was at her home a few days and returned to her school at Paris last Monday, in charge of her sister, Minnie, who is to remain in Paris for an indefinite time under the immediate care of Dr. Stuart Wallingford, her cousin.

FAIR GROUND.

Mrs. Ella Mitchell was shopping in Maysville Thursday.

Master Earl Burns has recovered from a severe illness.

The Nomads, a literary club of Maysville, which has always stood for plain living and high thinking, has relieved the strenuous mental strain under which they have labored this winter by a number of beautiful social functions.

Saturday merited another among the number.

This was a most elaborate and sumptuous luncheon given by Mrs. John Hunt, the President of the Club, to the Misses Hays, who this year sever their connection with the Club.

They, with the exception of Mrs. Hunt, are the only charter members of the Nomads, which has been in existence some fifteen years.

The gracious hostess spared nothing to make the entertainment one long to be remembered by the members of this exclusive circle that has done so much to uphold the literary standard of our little city.

Mrs. Bettie Pugh of Tollesboro was visiting Mrs. Fannie Pugh, Friday.

Miss Leone Ryan of Portsmouth, O., was visiting her brother, Mr. Henry Ryan.

Mr. Martin Sweet of this place was calling on Miss Ida Hull of Rectorville, Sunday last.

Miss Myrtle Milford has returned to her home in Cincinnati, after a delightful visit here with relatives.

Mr. and Mrs. Albert Bococh and little son, James of the East End were visiting her mother, Mrs. E. M. Cobb, Sunday last.

There is said to be an abundance of tobacco plants, and the farmers are preparing to plant a bumper crop.

All the Banks in the city will close at 12 o'clock noon on Wednesday and Thursday on account of the Knights Templar Conclave.

The Y. M. C. A. in this city has given up the ghost and died for want of proper support. The Directors will meet today and wind up the affairs of the Association—it may be temporary and it may be forever.

Mrs. F. W. Harrop and daughter, May, will leave for Europe the latter part of the week. Mrs. Harrop's many friends in this city wish her a joyous visit to her old home and relatives and a safe return.

The uncertainty of human life was never more forcefully illustrated than by the results of the recent wreck in Fleming county. Undertaker Harry Thomas of the city, who had charge of the remains of the aged Mr. Rankin, and was en route to Hillsboro for the interment, lost his life in the wreck and was strangled dead within a few feet of the corpse. The body of Mr. Thomas passed through here Sunday morning en route to Covington on the C. and O.'s No. 1. for burial.
